

Architectural cross-section drawing of a two-story house with a garage. The drawing shows the internal structure, including floors (OG, EG), roof (DN 25°), and walls. Key dimensions and levels are provided: TH=756.21, FH=758.66, DV 50, DV 30, and various floor levels (EGF RFB=750.16, EHF FFB=750.30, GARF=RFB 750.16). The drawing also indicates the presence of a chimney, stairs (16 STG. 18/25), and a garage area. The ground level is labeled 'GEPL. GELÄNDE' and 'VORH. GELÄNDE'. The drawing is oriented with 'GRENZE' (boundary) on the left and right sides.
